

Document 0243

[20243001]

International Lease Finance Corp. announced a leasing contract with charter carrier American Trans Air Inc. , in a transaction involving six Boeing Co. 757-200s .

[20243002]

The value of the jets , including spares , is in excess of \$ 250 million .

[20243003]

Two of the 757-200s are new aircraft to be delivered to American Trans Air , the main subsidiary of Amtran Inc. , in December 1991 and January 1992 .

[20243004]

Four of the planes were purchased by International Lease from Singapore Airlines in a previously announced transaction .

[20243005]

Delivery of the first aircraft is set for early November , a second for December and two for April 1990 .
