

Document 1518

[21518001]

Terry L. Haines , formerly general manager of Canadian operations , was elected to the new position of vice president , North American sales , of this plastics concern .

[21518002]

Also , Larry A. Kushkin , executive vice president , North American operations , was named head of the company 's international automotive operations , another new position .

[21518003]

He remains an executive vice president , the company said , and his new position reflects " the growing importance of the world automotive market as a market for A. Schulman 's high performance plastic materials . "

[21518004]

Gordon Trimmer will succeed Mr. Haines as manager of Canadian operations , and Mr. Kushkin 's former position is n't being filled at this time , the company said .
