[21146091]

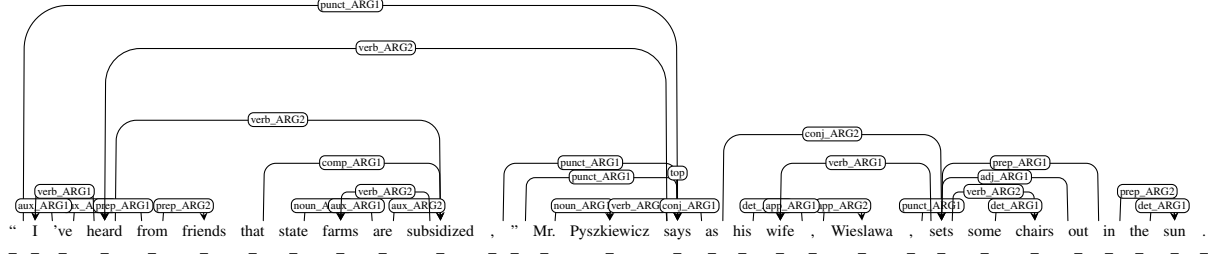

The few big state farms take first crack at what does get made .

[21146093]

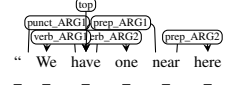

Yet their best boast is that they produce 32 % of Polish pork .

[21146094]

" I ' ve heard from friends that state farms are subsidized , " Mr. Pyszkiewicz says as his wife , Wieslawa , sets some chairs out in the sun .

Now he is mounting the steps of a stucco building in a nearby village , on a visit to the Communist administrator , the " naczelnik . "

[21146158]

" Many people in Poland hope this government will break down , " says Mr. Niciporuk , who belongs to the local council and to Rural Solidarity .

[21146159]

" That 's what the naczelnik counts on .
