[21231001]

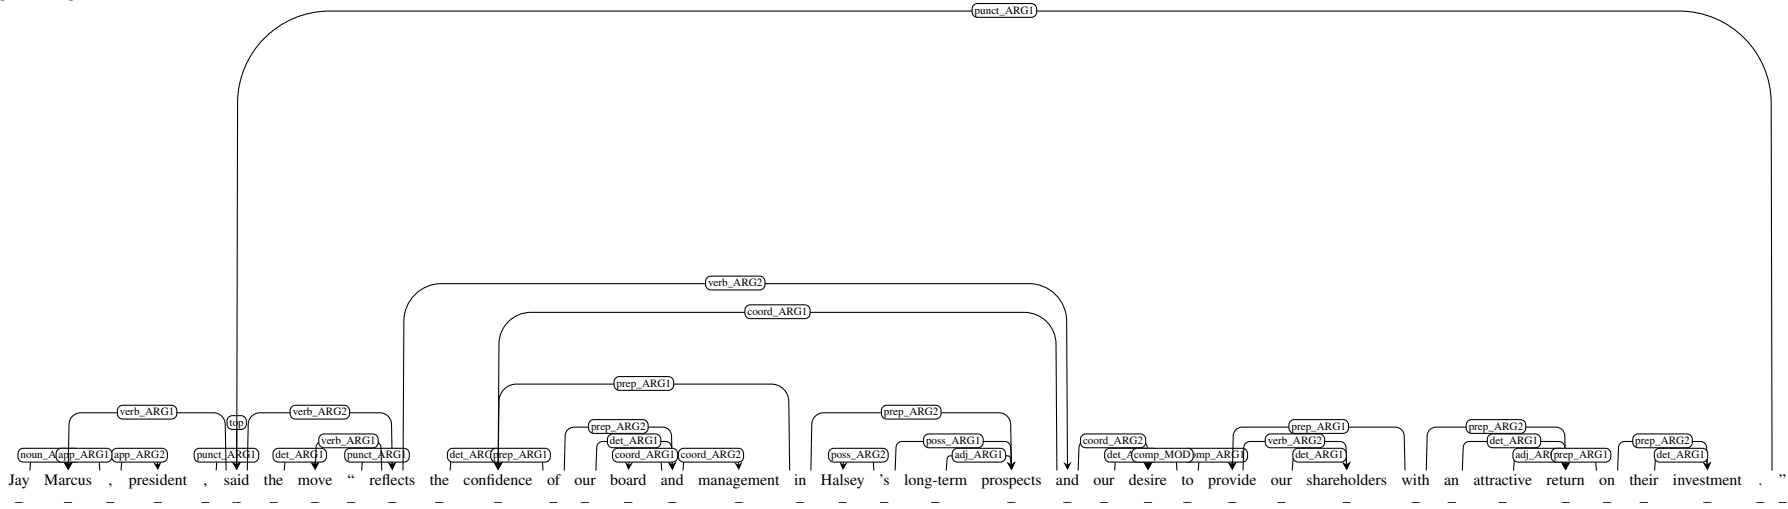

This Brooklyn, N.Y., generic-drug maker announced a 5 % stock dividend payable Dec. 15, to holders of record Nov. 15.

[21231002]

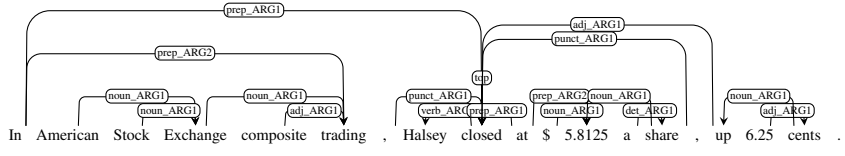

As of Sept. 30, Halsey had 5.3 million common shares outstanding.

[21231003]

Jay Marcus, president, said the move “reflects the confidence of our board and management in Halsey’s long-term prospects and our desire to provide our shareholders with an attractive return on their investment.”

[21231004]

In American Stock Exchange composite trading, Halsey closed at \$ 5.8125 a share, up 6.25 cents.
