

Document 0966

[20966022]

“ Go run the university . ”

[20966023]

Which was about what Mr. Shields did, and quietly, until he resigned a few years later, pleading ill health when the stuff hit the fan

[20966024]

Mr. Whitford drew on voluminous news media coverage of the SMU scandal, and on a university internal investigation.

[20966025]

Mr. Keiteyan had to do most of his own digging on University of Nebraska football, which is, to date, high and dry as far as the NCAA is concerned.

[20966026]

Unfortunately, he gets low grades as an investigative reporter, relying heavily on what Chicago's late mayor, Richard J. Daley, called "insimendo".

[20966028]

There are gratuitous references to supposed romantic liaisons between Husker players and a low-level female university employee.

[20966029]

A serious charge – that star flanker Irving Fyfar “threw” the 1984 Orange Bowl game by intentionally dropping a pass in the end zone – is included, even though the Nebraska assistant coach quoted denied making it.

[20966030]

Still, the book produces more smoke than a smoldering sofa, along with a few flames, especially concerning the use of steroids.

[20966033]

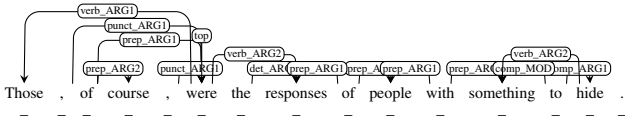

Probably , it did n't .

[20966034]

[20966035]

While the university was no more to blame for that than for the similar fate of any other student, it must bear responsibility for its conduct in the aftermath.

[20966037]

[20966038]
