

[21534002]

In a filing with the Securities and Exchange Commission, Lep Group said a possible course of action may include acquiring some or all of the Profit Systems shares it does n't already own.

[21534003]

It noted, however, that it has n't determined any specific terms of a possible transaction.

[21534004]

Lep Group and affiliates currently control 3,513,072 Profit Systems common shares, or 62.42%, the filing said.

[21534005]

Profit Systems, Valley Stream, N.Y., is an air freight forwarding concern.
