

Document 1542

[21542002]

Quantum stopped shipping the drugs last month . following a federal investigation regarding information the company supplied to obtain three drug approvals .

[21542004]

[21542005]

No safety problems with the products are known, the FDA said.

[21542006]

An FDA spokesperson said the drugs are still available under other brand names.

[21542007]

[21542008]

It also temporarily closed Quantum , because of the internal investigation , as well as the FDA 's ongoing inquiry .
