That announcement was roundly criticized by Mayor Koch - who has endorsed Mr. Dinkins - because the city faces a garbage crisis and has already spent \$ 5 million planning for an incinerator that would be scrapped under Mr. Dinkins 's proposal .

[20765076]

While his public statements have at times been confusing , Mr. Dinkins 's position papers have more consistently reflected anti-development sentiment .

[20765077]

He favors a form of commercial rent control , which the financial community believes would make it more difficult to attract investment in the city .

[20765078]

In the midst of a labor shortage , he proposes linking city subsidies to businesses to their record of hiring New York City residents .

[20765079]

With an untrained local labor pool , many experts believe that policy could drive businesses from the city .

[20765080]

And he favors a more cooperative approach toward the neighboring states of New Jersey and Connecticut in the battle over companies thinking of moving employees out of New York City .

[20765081]

Many economic-development officials say the Koch administration 's aggressive approach helped save 5,000 Chase Manhattan Bank jobs from moving across the Hudson .

[20765082]

But Mr. Dinkins 's economic planks do n't seem to bother the business community , where he draws significant support .

[20765083]

Steven Spinola , president of the Real Estate Board of New York , an industry organization , says Mr. Dinkins 's " economic development program is shortsighted , but when it comes down to it , he can be reasonable . "

[20765084]

Mr. Dinkins 's inner circle of advisers appears to include both ideologues and pragmatists , leaving voters with little clue as to who will be more influential .

[20765085]

The key man seems to be the campaign manager , Mr. Lynch .

[20765087]

But as the Dinkins campaign hit tough times this month , Andrew Cuomo , the politically seasoned son of the New York governor , is also said to have taken a more active role on strategy .

[20765089]

If she remains influential with Mr. Dinkins , as some suggest she will , his mayoralty may take on a more anti-development flavor .

[20765090]

But Lincoln Center President Nathan Leventhal , who would head a Dinkins transition team , is more mainstream , as is real-estate executive Anthony Gliedman , another insider .

[20765091]

Mr. Dinkins also has said he would receive economic advice from a board that would include American Express Co. chairman James D. Robinson III , investment banker Felix Rohatyn , leveraged-buy-out specialist Reginald Lewis and attorney Joseph Flom .

[20765092]

Some business leaders and others also believe that Mr. Dinkins would place significant responsibility in the hands of a deputy mayor with a strong administrative background .

[20765094]

Then there are Mr. Dinkins 's old-time Harlem colleagues , such as U.S. Rep. Rangel , former Deputy Mayor Paterson and Mr. Sutton .

[20765095]

Having attained positions of real influence or wealth , these men constitute the Old Guard of New York City black politics ; they are less confrontational than the younger , more activist black political community that has been based largely in Brooklyn .

[20765096]

(Part of Mr. Dinkins 's strength is his ability to with the support of both the Brooklyn and Harlem factions .)

[20765097]

" We know there are potholes for the city out there , " says Mr. Paterson , Mr. Dinkins 's former law partner .
