

Document 1308

[21308002]

Mr. Katz happily agreed, sliding over the fact that California's roads and bridges are n't funded by property taxes but by state and federal gasoline taxes.

Mr. Katz happily agreed, sliding over the fact that California's roads and bridges are n't funded by property taxes but by state and federal gasoline taxes.

[21308003]

Both have been raised at least 30% in recent years, even while the price of gasoline has fallen.

Both have been raised at least 30% in recent years, even while the price of gasoline has fallen.
