Nothing .

[41204155]

Nothing but wispy grass whipping in the keen breeze .

[41204156]

" I 'll be damned " . Ekstrohm said .

[41204158]

ExPe does n't like anybody mucking up primary evidence " .

[41204161]

This has got to be some kind of local phenomenon .

[41204163]

" Listen , Ekstrohm , I want to give you the benefit of every doubt .

[41204164]

But you are n't exactly the model of a surveyor , you know ev-w1810f1 .

[41204165]

You 've been riding on a pink ticket for six years , you know that " .

[41204166]

" No " , Ekstrohm said , " No , I did n't know that " .

[41204169]

It fits the pattern of secrecy and stealth you 've been involved in " .

[41204173]

The tapes show that .

[41204174]

Now all the bodies are missing , like they got up and walked away " .

[41204175]

It was not a new experience to Ekstrohm .

[41204176]

No .

[41204177]

Suspicion was n't new to him at all .

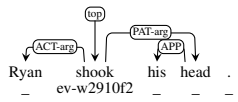

[41204178]

" Ryan , there are other explanations for the disappearance of the bodies .

[41204180]

I gave you my word I 'm not trying to pull some stupid kind of joke , or to deliberately foul up the expedition .
