

[20782001]

The Ustnor unit has agreed to provide technology and expertise to install a so-called spin caster by early next fall .

[20782014]

The caster improves the metallurgical quality of the iron mill rolls , which are basically huge rolling pins used to flatten or shape steel products .

[20782015]

Bethlehem is also working with the United Steelworkers union to consolidate BethForge 's two machine shops and four heat-treatment facilities of the press-forge operations .

[20782016]

Once the consolidation is complete , Bethlehem plans to concentrate its forgings business on nuclear fabrication , hardened steel and large-diameter steel rolls for rolling mills and selected custom-die applications .

[20782017]

Bethlehem said earlier this year that it planned to restructure the BethForge division to improve its cost structure .

[20782018]

In the second quarter , Bethlehem posted a \$ 50 million charge related to its plans to realign the division .
