In the long , frightening night after Tuesday 's devastating earthquake , Bay Area residents searched for comfort and solace wherever they could .

[21778002]

Some found it on the screen of a personal computer .

[21778003]

Hundreds of Californians made their way to their computers after the quake , and checked in with each other on electronic bulletin boards , which link computers CB-radio-style , via phone lines .

[21778004]

Some of the most vivid bulletins came over The Well , a Sausalito , Calif. , board that is one of the liveliest outposts of the electronic underground .

[21778006]

The quake knocked The Well out for six hours , but when it came back up , it teemed with emotional first-hand reports .

[21778011]

Wow !

[21778012]

I was in the avenues , on the third floor of an old building , and except for my heart ( Beat , BEAT ! ) I m OK .

[21778016]

I was in my favorite watering hole , waiting for the game to start .

[21778018]

That 's usually how long it takes for the temblors to pass .

[21778019]

This time , it just got stronger and then the building started shaking violently up and down as though it were a child 's toy block that was being tossed .
