Others , like PrudentialBache Securities Inc. , which has eight offices in the San Francisco area , set up an 800 number yesterday morning for customers to obtain market commentary and other help .

[21852030]

At Kidder , Peabody & Co. 's Sacramento branch , Manager Janet White received calls yesterday morning from workers in San Francisco who offered to work in Sacramento .

[21852031]

Then she discovered that Quotron Systems Inc. 's Sacramento lines were down , because they are normally tied in through a system that goes through San Francisco .

[21852032]

So the Kidder brokers had to call other company offices to get quotes on stocks .

[21852033]

At Quotron , the company 's National Call-In Center , which swung into action for the first time last month for Hurricane Hugo , assembled a tactical team at 5 a.m. yesterday to begin rerouting lines and restore service to brokers and traders .

[21852034]

The company dispatched as many as 200 people in the San Francisco area to do the work , though most of the rerouting was done by computer .

[21852035]

Service appeared to be down throughout the financial district in downtown San Francisco , while just parts of Oakland and San Jose were knocked out .

[21852036]

But Dale Irvine , director of the emergency center , said service was being restored to outlying San Francisco areas .

In Chicago yesterday , Options Clearing confirmed that it guarantees the Pacific exchange options .

[21852038]

The firm also will permit its members and the public " to exercise their put and call options contracts traded on the Pacific exchange " even if the exchange is closed , said Wayne Luthringshausen , chairman of Options Clearing .
