[20356001]

Rally 's Inc. said it adopted a shareholders rights plan to protect shareholders from an inadequately priced takeover offer .

[20356002]

The plan provides for the distribution of one common stock-purchase right as a dividend for each share of common outstanding .

[20356005]

The company said it was " concerned about the announced intent to acquire control of the company " by a Sugarman-led group .
