But Pemex's courtship with private companies, and especially foreign ones, is controversial in a country where oil has been a symbol of national sovereignty since foreign oil holdings were nationalized in 1938

[2]789045]

" They are preparing the workers for what's coming : foreign control , I wrote Heberto Castillo , a leftist leader "

[21789046]

Mr. Guzman Cabrera and government officials insist that foreigners will be limited to investing in secondary petroleum products

[21789047]

But the new union leader makes no apologies for Pemex's more outward-looking attitude

[21789048]

" If we do not integrate into this new world of interdependence, sooner or later we're going to become victims of our own isolation, " he says.
