[20550001]

The world ev-w15665_u_nobody had a big yuk recently when the Soviets reported a rash of UFO landings , one of them bringing tall aliens who glowed in the dark to Voronezh .

[20550003]

Here ev-w21877_u_nobody is a bible for UFO watchers , complete with pictures of people who ev-w2833f1 say they 've ev-w15666_u_nobody personal relationships with aliens .

[20550004]

One photo ev-w2945f1 shows a woman sporting a scar she ev-w2833f1 says was made by a laser beam (a low-caliber weapon , from the looks of the wound) .

[20550005]

So far anyway , our alien visitors seem more intent on brightening our skies than pulverizing us .

[20550006]

Mr. Good ev-w921f1 devotes much serious space to the events of Feb. 25 , 1942 . when American gunners spotted strange lights in the sky above Los Angeles .

[20550007]

Air-raid sirens ev-w3069f1 sounded the alarm at 2:25 a.m. , summoning 12,000 air wardens to duty .

[20550008]

Soon all hell ev-w3459_u_nobody broke loose .

[20550009]

Ground batteries , targeting an odd assortment of aircraft traveling at highly unusual speeds , ev-w2111f1 opened up a furious fusillade .

[20550010]

The sky ev-w1318f3 filled with 12.8-pound shells , several of which ev-w1273f6 fell back to Earth , destroying homes and buildings .

[20550011]

When the smoke ev-w5467_u_nobody cleared , six people ev-w2187 were dead (three from heart attacks) , and everyone ev-w3654f1 wondered what in the world they were shooting at .

[20550013]

Well , thousands of Californians on the scene ev-w1713f1 insisted the ammo had been uselessly aimed at a large , hardy UFO , but you will just have to ev-w1923f14_u_nobody make your own decision about such sightings .

[20550015]

Gerald Ford , a fairly down-to-earth fellow , once ev-w2890f4 sent a letter to the chairman of the Armed Services Committee recommending that " there be a committee investigation of the UFO phenomenon .
