[21509003]

But agreement apparently could n't be reached because of opposition from the states of Hamburg and Bremen , which are demanding more influence over the German Airbus operations and a better guarantee against job losses in the troubled Northern German region .

[21509004]

The two states and the state of Bavaria still hold a majority in MBB, but their stake will fall to around 30 % after Daimler-Benz acquires its stake in the concern.
