

Document 1620

[21620001]

Harley-Davidson Inc. filed suit in federal court here , alleging that a group that holds 6.2 % of its stock made " false , deceptive and misleading " statements in recent regulatory filings and public announcements .

[21620003]

Mr. Glazer could n't immediately be reached to comment .

[21620004]

But when Harley last week publicly questioned the legality of the group 's filing procedures , the Rochester , N.Y. , investor said " we complied with every law , " and he denied any wrongdoing .

[21620005]

The Glazer group said in a Securities and Exchange Commission filing in early October that it may seek a controlling interest in Harley-Davidson , or seek representation on the company 's board .

[21620006]

Harley has said it does n't intend to be acquired by the Glazer group or any other party .
