A string of costly projects , including the high-speed national aerospace plane and the advanced communications technology satellite , would continue to be developed within these limits .

[20328019]

And while imposing a statutory cap of \$ 1.6 billion on future spending , the bill would give NASA \$ 30 million for the start-up of the CRAF-Cassini mission , a successor to the Voyager space probe .

[20328020]

Separately , the National Science Foundation is promised a 7.7 % increase to bring its appropriations to \$ 2.07 billion .

[20328021]

And while pursuing these initiatives , Congress and the White House are squeezed too by steady increases - \$ 551 million - in veteran 's medical care .

[20328022]

The result is that all sides resort to sleight of hand to make room for competing housing and environmental programs , and the commitments now will drive excess spending into fiscal 1991 .

[20328023]

Senior members of the House Budget Committee are reduced in frustration to raising doomed parliamentary obstacles to individual bills , yet admit that much of the disorder now stems from the fiscal ledgermain associated with their own summit agreement with the White House this past spring .

[20328024]

" It 's hard to get the administration 's attention on anything , " said Rep. Bill Frenzel (R. , Minn.) , " because the whole agreement was built on gimmickry . "

[20328027]

But at a time when the White House wants to kill the entire program , Republicans have been among its leading champions .

[20328029]

GP Express , an independent airline serving much of Nebraska , estimates that nearly 40 % of its revenues come from the subsidies that , in some cases , exceed the cost of a ticket .
