[20669001]

Nissan Motor Co. expects net income to reach 120 billion yen ( U.S. \$ 857 million ) in its current fiscal year , up from 114.6 billion yen in the previous year , Yutaka Kume , president , said .

[20669002]

Mr. Kume made the earnings projection for fiscal 1990 , ending next March 31 , in an interview with U.S. automotive writers attending the Tokyo Motor Show .

[20669004]

During the next decade , Mr. Kume said , Nissan plans to boost overseas vehicle production sufficiently to account for a majority of sales outside Japan .

[20669005]

Last year , Mr. Kume said , Nissan exported slightly over one million vehicles , and produced 570,000 cars and trucks at its factories in North America , Europe and Australia .

[20669006]

But by 1992 , he added , Nissan will build one million vehicles a year outside Japan , or sufficient to equal exports .

[20669007]

“ By the end of the 1990s , ” he said , “ we want to be producing roughly two vehicles overseas for every vehicle that we export from Japan . ”
