Styka blew his nose again .

[41017111]

" There is a man named Grabski who is the foreman in charge of the bricklayers at Majdanek .

" Ten thousand zlotys "

[41017117]

" He is aware he will not live for twenty-four hours if he betrays you "

" I have to believe it "

[41017129]

[41017130]

" I am only a simple soldier .

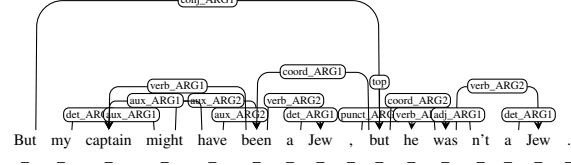

[41017132]

Until I was transferred into the Seventh Ulans I was like every other Pole in my feeling about Jews .
