[21915001]

Wall Street Journal reporters called companies with headquarters or facilities in the Bay area in a bid to assess the damage to their operations caused by Tuesday 's earthquake .

[21915003]

In most cases damage to company facilities and operations was minimal .

[21915004]

ADIA SERVICES INC. , Menlo Park , temporary personnel agency , annual sales of \$ 504 million , OTC , said all 30 offices in Bay area were working , but in various states of disarray .

[21915005]

Business was slow because many companies were closed yesterday .

[21915006]

ADVANCED MICRO DEVICES INC. , Sunnyvale , integrated circuit maker , annual sales of \$ 1.12 billion , NYSE , had only minor structural damage .

[21915007]

Most of its 4,500 workers were at work yesterday , and no production slowdown was anticipated as long as electricity remains available .

[21915008]

AMDAHL CORP. , Sunnyvale , computer maker , annual sales of \$ 1.8 billion , Amex , was closed yesterday and no damage estimates were available .

[21915012]

ANACOMP INC. , Indianapolis , NYSE , said its Xidex Corp. unit , a Sunnyvale maker of computer disks and microfilm with annual sales of \$ 637 million , had only minor damage and is fully operational .

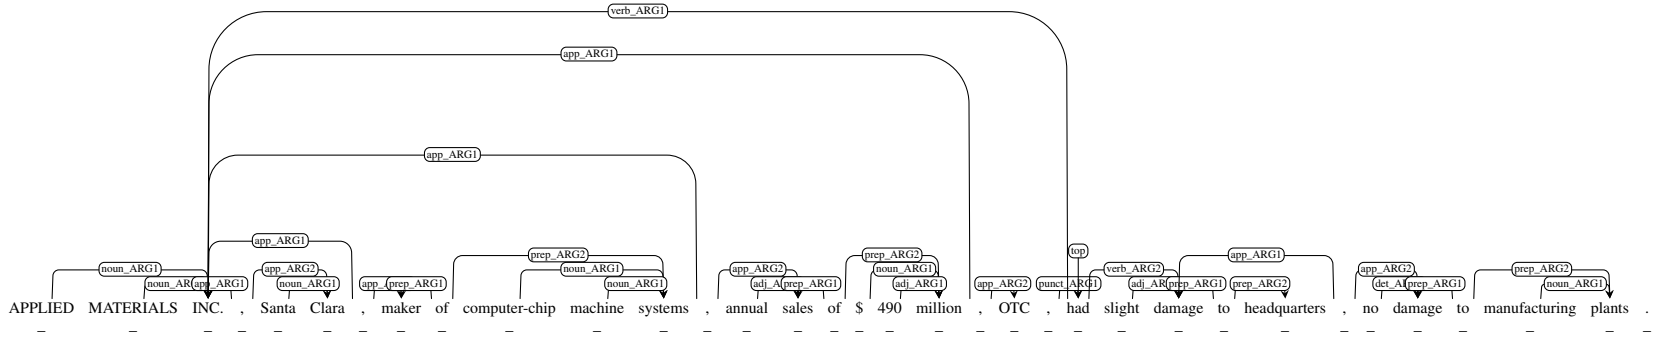

[21915014]

APPLE COMPUTER CO. , Cupertino , computer maker , annual sales of \$ 4.07 billion , OTC , sustained some structural damage .

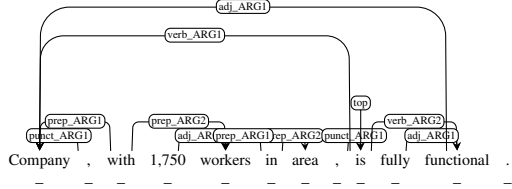

[21915015]

Offices were closed yesterday .

[21915069]

The company said it was doing a brisk business in computer power-surge protectors , cables and uninterruptable power sources .

[21915070]

INTEL Corp. , Santa Clara , semiconductor maker , annual sales of \$ 2.87 billion , OTC , had some damage and few people were at work yesterday .

[21915071]

INTERNATIONAL BUSINESS MACHINES Corp. , Armonk , N.Y. , maker of business machines , NYSE , said flooding caused by broken water pipes closed its San Jose plant , which makes high-end data-storage devices .

[21915072]

The plant and its 8,500 employees gradually will resume operations over the next several days , the company said .

[21915073]

Also closed yesterday were the company 's Santa Teresa software-development lab and the Almaden research center .

[21915074]

The concern 's National Service Division opened a center for emergency service in Walnut Creek as part of its disaster-recovery plan .

[21915075]

KAISER ALUMINUM & CHEMICAL , Oakland , metal and chemical maker , annual sales of \$ 2.22 billion , had slight structural damage to its 28-story headquarters building and employees stayed home yesterday to allow crews to clean up .

[21915076]

LOCKHEED CORP. , Calabasas , aerospace and defense concern , annual sales of \$ 10.59 billion , NYSE , said its Lockheed Missiles & Space division closed its Santa Cruz test facility because of power outages and landslides .

[21915077]

The closing , affecting 266 employees , will continue at least until roads are cleared .

[21915079]

It also was n't known what the impact will be on the division 's work , which includes the Navy 's Trident submarine-based missile program and the Air Force 's Strategic Defense Initiative .

[21915080]

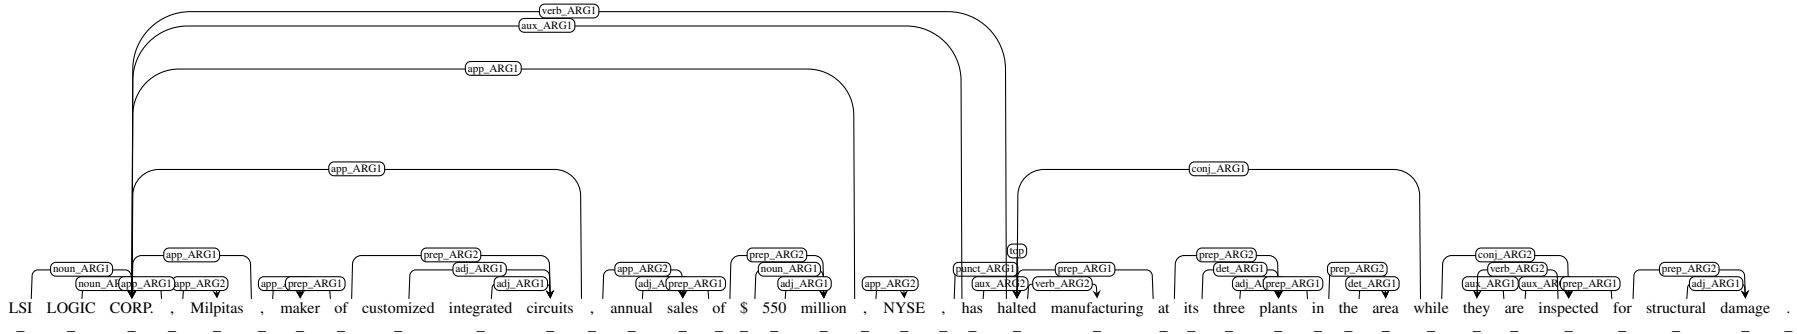

The division had only minor damage at its Sunnyvale headquarters and plant in Palo Alto , and no delays in deliveries are expected .

[21915082]

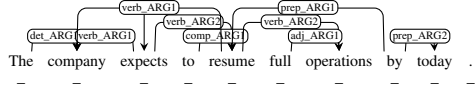

All are expected to reopen soon .
