MEDICINE TRANSPLANT : Growth of Japanese trade and travel prompts Beth Israel Medical Center , New York , to set up a bilingual medical practice .

[20120037]

Funded by a \$ 1 million gift from Tokio Marine & Fire Insurance , the service will follow Japanese medical protocols , including emphasis on preventative medicine .

[20120038]

DIAPER SERVICES make a comeback amid growing environmental concerns .

[20120039]

Concerned about shrinking landfills and the safety of chemicals used in super-absorbent disposables , parents are returning to the cloth diaper .

[20120040]

Tiny Tots Inc. , Campbell , Calif. , says business is up 35 % in the past year .

[20120042]

In Syracuse , N.Y. , DyDec Service 's new marketing push stresses environmental awareness .

[20120043]

Among its new customers : day-care centers that previously spurned the service .

[20120044]

The National Association of Diaper Services , Philadelphia , says that since January it has gotten more than 672 inquiries from people interested in starting diaper services .

[20120047]

Also spurring the move to cloth : diaper covers with Velcro fasteners that eliminate the need for safety pins .

[20120048]

BRIEFS :

[20120050]

FroudToy , a pillow bearing the likeness of Sigmund Freud , is marketed as a \$ 24.95 tool for do-it-yourself analysis .
