

[21362001]

Detrex Corp. said a reserve it is establishing to cover expected pollution cleanup costs at an Ohio plant reduced its third-quarter net income by \$ 1.9 million .

[21362002]

Detrex , which has annual sales of about \$ 100 million , declined to say if it would post a loss in the third quarter .

[21362004]

Detrex is setting aside \$ 3.1 million for the cleanup , but said the reserve reduced its quarterly income by only \$ 1.9 million because of tax considerations .

[21362005]

In addition , the manufacturer said it signed a consent decree with Ohio to build a \$ 1.4 million pollution-control facility at the Ashtabula chemical manufacturing plant by Aug. 1 , 1990 .
