[20909053]

Male scandal victims invariably fare better .

[20909054]

Anne Burford , the former EPA chief who resigned under fire in 1983 during a flap with Congress , was kayosed in the confrontation , even though she was never charged with official wrongdoing .

[20909055]

She worked part-time as a consultant and wrote a book , but never restarted her high-powered legal career .

[20909056]

It did n't help when , in 1986 , she was charged (and then cleared) on allegations of public drunkenness .

[20909057]

" I cut my losses and ran , " she says , from her new home in Colorado , where she is busy remodeling .

[20909058]

Mrs. Burford remains bitter over the overwhelming legal expenses involved in clearing her name .

[20909059]

" My husband was instantly impoverished by the very act of marrying me , " she says .

[20909061]

" There 's nothing she could do to bring herself back to where she was , " says her lawyer , James Bierbower .

[20909062]

" You could say she survived , but it was n't easy on her . "

[20909063]

No book contracts have been dangled before Deborah Gore Dean , the reigning queen of the HUD scandal .

[20909064]

Donna Rice of Gary Hart fame failed to obtain a book contract and lost her modeling contract for " No Excuses " jeans .

[20909065]

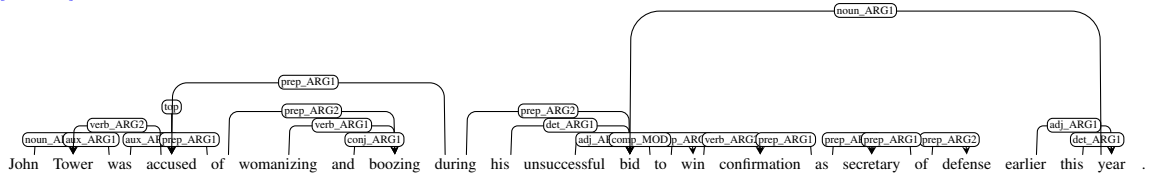

Fawn Hall , Oliver North 's former secretary , has yet to launch a hoped-for television news career , according to her lawyer .

[20909067]

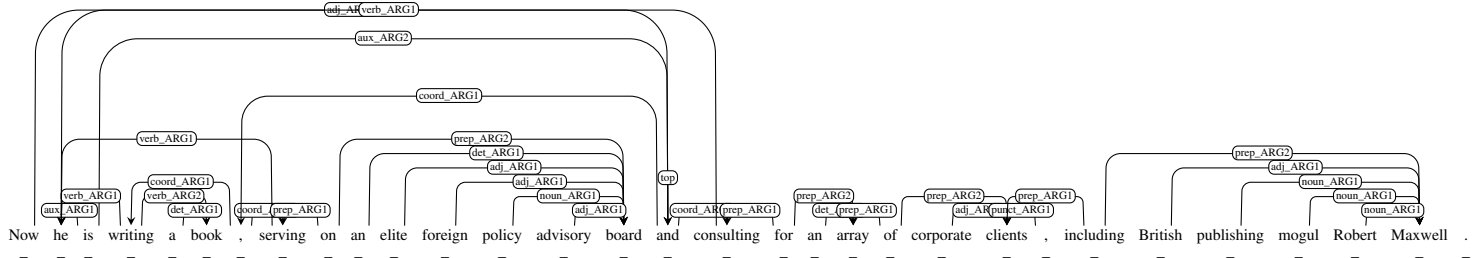

He was back in jail over the summer on shoplifting charges .

The diagram illustrates a syntactic tree for the sentence "He reassured me that the hurricane would end Mr. Deaver recalls". The tree is rooted at the top with a node labeled "punct ARG1". This node branches into "verb ARG2" and "cp". The "verb ARG2" node branches into "comp ARG1" and "verb ARG1". The "comp ARG1" node branches into "det ARG1" and "noun ARG1". The "det ARG1" node branches into "He" and "reassured". The "noun ARG1" node branches into "me" and "that". The "verb ARG1" node branches into "the" and "would end". The "cp" node branches into "punct ARG1" and "noun ARG2". The "punct ARG1" node branches into "Mr." and "Deaver". The "noun ARG2" node branches into "recalls".

Mr. Bauman received an encouraging letter from the recognized master of scandal survival, Richard Nixon.
