Odd-year elections attract relatively few ballot issues
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           ives , " says Patrick McGuigan , editor of Family , Law and Democracy Report
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       REGULARIZATION (RSTR) (
                                                                                                                                                                                                                                                                                                                                                                                                 Estra | Restraction | Restract
        [20120005]
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              (PAT-arg)
                                                                                                                                                                                                    attention already is focused on the 1990 elections .
