```
They speak volumes about the state of our society at a given moment ev-w3077f2 - - - - - - ev-w1465f12_u_nobody -
It has always been so .

                                                                                                                                                                                                                                                                                                                                                                    whose spokesman was H.L. Mencken , and the religious fundamentalists , whom Mencken derided as benighted primitives ev-w291f1
  Few now recall the actual outcome : Scopes was convicted and fined $ 100 , and his conviction was reversed on appeal because the fine was excessive under Tennessee law .
                                                                                                                          f all proportion to the rather banal secrets he allegedly had passed to Soviet intelligence .
                                                                                                                                                                                                                                                                —RSTR
                                                                                                                                                                   more than two years ' confinement for contempt of court , a heroine to her many supporters
                        rest of us , the case is a puzzle .
