                                                                                                                                                                               PAT-arg
                                                                                                                                                                                                                                                                                                                                  RSTR
At the same time , he remains fairly pessimistic about the outlook for imports , given continued high consumer and capital goods inflows .
                                                          He reckons the current account deficit will narrow to only # 1.8 billion in September .
