        Even a federal measure in June allowing houses to add research fees to their commissions did n't stop it .
                                                                                             (coord_ARGI)
     the change prompted the rise of discount brokers and a reduction in securities research firms .
