(Texas simply pumped harder .
                U.S. oil supplies , however , had peaked in 1970 and 1971 and by 1973 were declining .
                                                                                                                                  verb_ARG1
